Dr. William Soliman, PhD
President, Accreditation Council for Medical Affairs (ACMA)
wasoliman1@gmail.com

Dr. William Soliman is the President of the Accreditation Council for Medical Affairs. He is considered by many to be a pharma industry futurist and has been featured in Forbes, the Pharmaceutical Executive, ABC News and the Boston Herald. With almost 20 years of experience in the pharmaceutical industry, his passion is to transform and raise the bar in the pharmaceutical industry. The ACMA established the first ever Board certification in medical affairs (BCMAS) which is now in over 30 countries as well as the Pharmaceutical Representative Certification (PRC) which has been used in different states such as Illinois and others to credential and license pharmaceutical sales representatives. Dr. Soliman trained at Columbia University, Harvard & NYU and has a background in biochemistry.
