Jon Viola, PhD
Business development manager
Ximbio
jon.viola@ximbio.com

Dr. Jon Viola is a business development manager at Ximbio, a nonprofit that enables universities to better manage and commercialize their research tools. Jon joined Ximbio in early 2018 and helps onboard new academic accounts and their research tools into the Ximbio program. He continues to work with universities throughout the US and manages the on-campus internship program for PhD/PostDocs, “Ximbassadors”. More recently, he has been supporting commercial and academic requests for cell lines. Jon holds a Ph.D. in Biochemistry from the University of Georgia and is based in Boston, MA.

Lisa Lyu, PhD
Licensing Manager
Office of Research Commercialization
Rutgers, The State University of New Jersey
lyuyi@ored.rutgers.edu

Dr. Lisa Lyu is a licensing manager in Physical Sciences & Life Sciences at ORC. Prior to joining ORC in 2015, Lisa was an Assistant Professor in the Department of Pharmacology at UMDNJ Robert Wood Johnson Medical School. Her research interest has covered cancer pharmacology, biochemistry, molecular and cellular biology and neurodevelopment. Besides research, she was also actively engaged in teaching and mentoring graduate and medical students. Before that, Lisa was a postdoctoral fellow in the department of Molecular and Cellular Biology at Harvard University. Lisa holds a Ph.D. in Pharmacology.
from Rutgers University and UMDNJ. Lisa is a patent agent registered to practice before the USPTO.

Yong Zhang, PhD  
Senior Licensing Manager  
Office of Research Commercialization  
Rutgers, The State University of New Jersey  
zhangy5@ored.rutgers.edu

Dr. Yong Zhang is a licensing manager in Life Sciences at ORC. Prior to joining Rutgers ORC in 2014, Yong worked as a postdoctoral fellow at UMDNJ for seven years, worked as an intern in the technology transfer office of UMDNJ for one year, and worked as a Licensing Associate in the Office of Technology Transfer at the University of Idaho for two years. Yong holds a Ph.D. in Biochemistry and Molecular Biology from Tsinghua University. Yong is a patent agent registered to practice before the USPTO.
